Importance:	High

To Whom It May Concern,

Please find attached a submission prepared on behalf of Vermont Public Radio pursuant to the FCC December 21, 2012, DA 12-2073, Public Notice. The attached Engineering Statement supersedes the previous submissions filed by Vermont Public Radio earlier today and on January 11, 2013 and January 17, 2013.

Please contact me should any questions arise.

Sincerely,

Rich Parker
Senior Broadcast Strategist and Engineer
Vermont Public Radio
