Environmental Statement

K43MD-D

Displacement application due to Incentive Auction 600 MHZ TV Band Repack.

Environmental Statement:

Antenna will be installed on an existing tower and the equipment installed in an existing building. No construction is involved. Restricted site access.

Non-Ionizing radiation at ground level is less that the allowable public exposure limit. No special precautions required.

K43MD-D application change to channel 34 shows 5.3% incoming interference from K34IA-D in Dove Creek, CO. K34IA-D has an application to change to channel 31, which will erase the 5.3% incoming interference.

K43MD-D application change to channel 34 shows ix to K34JN-D. K34JN-D is applying for a change to channel 18 which will erase any ix between the channels.

These changes are part of the Utah State repacking plan. San Juan County, Utah and Southwest Colorado Television Translator Association work in conjunction with each other to better serve the public in this region.
