Hossein: On behalf of VegasTV, LLC, licensee of Station KTUD-CD, Las Vegas, Nevada, we request that the FCC dismiss the STA Engineering Request filed for KTUD-CD on April 24, 2014 (BSTA-20140424AHL). For the time being, we wish to keep the KTUD-CD minor change application on file. Please contact me should you have questions. Lee Peltzman

Hossein: Good morning. I hope you remain well. My client is seriously considering dismissing its pending STA Request filed for Station KTUD-CD, Las Vegas, Nevada.(BSTA-20140424AHL). Can that be done through an email to you or do we need to file a formal request to dismiss through the Office of the Secretary? Lee Peltzman
