License application BLH-20171221ACM
and request for Program Test Authority

Dear Radio Pacific:

This is in reference to the above-captioned license application that you filed to cover construction permit BMPH-20150922ACS. We have reviewed this application and find it acceptable. Program test authority IS GRANTED to all operations with the facilities authorized by the construction permit.

However, further action in license application BLH-20171221ACM will be deferred until such time as the petition for reconsideration, filed against the construction permit grant by Dungeness Heights Homeowners, is resolved by the staff. The grant of program test authority here does not imply any judgment as to the merits or ultimate outcome of those pleadings.

Sincerely,

Dale Bickel
