**AFFIDAVIT & CERTIFICATION
of
Consulting Broadcast Engineer
Elliott Kurt Klein**

I affirm and certify that I traveled to the Electronics Research, Inc., Test Range Facility and personally witnessed the tuning and pattern testing of the ERI model MP4-AC-DA-HW-SP directional antenna system now installed and in use at FM Broadcast Station KTUN(FM), Eagle, Colorado. I also affirm and certify that I was the supervising engineer during the construction of the main FM broadcast transmission facility for KTUN(FM), authorized in FCC Construction Permit Number BPH-20020813ABK. I personally supervised the construction of the new main transmission facility and the installation of the Electronics Research, Inc., antenna system employed at KTUN. I affirm and certify that the directional antenna system was installed according to the manufacturer's installation instructions under my direct supervision and has been installed accordingly.

I have designed many radio and television directional antenna systems and filed applications with the Federal Communications Commission for construction permits and covering licenses over the past 36 years. My engineering qualifications are a matter of record with the Federal Communications Commission.

Respectfully submitted,

Elliott Kurt Klein, Consulting Broadcast Engineer
