

Changes in Interests as Result of Assignment

The instant application seeks the Commission's consent to the assignment of license of station KDAS-CA, Austin, Texas, from KWEX License Partnership, L.P., an existing licensee subsidiary indirectly wholly owned by Univision Communications Inc. ("UCI") to KAKW License Partnership, L.P., another existing licensee subsidiary indirectly wholly owned by UCI. The instant assignment is for administrative, accounting, and financial reasons. As there will be no change in beneficial ownership and control of the station, the transaction is pro forma in nature.

Charts reflecting the "Before" and "After" structures of the companies are attached for the Commission's convenience. No asset purchase or similar agreement is executed in connection with this reorganization.
