

This is to certify that radio station KBYU has purchased and installed warning signs of the type and in locations suggested in the RFR Site Study conducted by Gray Frierson Heartig and Associates on 27 July 2006. In addition there is in place an agreement among all stations on the site for reducing power as necessary to assure exposure compliance when workers and tower crews are working on any of the antenna structures.

Date: 21 July 2008

A handwritten signature in black ink, reading "Lynn M. Edwards". The signature is written in a cursive style with a large, stylized "L" and "E".

Lynn Edwards
