July 5, 2006

NEW JERSEY PUBLIC BROADCASTING AUTHORITY

LICENSEE OF W43CH BELVIDERE, NJ

FCC FILE # BLTT-20060602AAE

APPLICATION FOR A DIGITAL FLASH CUT ON CH 43

EXHIBIT 10 - FAA

FAA STATEMENT

This application does not propose any change in transmitting antenna system or supporting structure overall height, therefore the FAA has not been notified of the changes to this already licensed site. The antenna structure is below 200 ft A.G. and the particulars pass FCC TOWAIR.
