

EXHIBIT 4

The transactions described below are being undertaken by Access.1 Communications Corp. ("Access.1"), its subsidiary Access.1 Communications Corp.-NY ("Access.1 NY"), licensee of 3 radio broadcast stations, and Access.1 NY's subsidiary Access.1 Communications-Shreveport, LLC ("Access.1 Shreveport"), licensee of 6 radio broadcast stations. Because Access.1 presently controls the licenses of each of these stations and will remain in ultimate control upon the consummation of the proposed transactions, this corporate restructuring will not result in a change in the beneficial ownership or control of any FCC license. As a result, the various pro forma assignment of license applications discussed below that are being filed to accomplish this corporate restructuring are appropriately filed on FCC Form 316.

Access.1 NY currently is the licensee of 3 stations. Pursuant to the proposed restructuring, Access.1 NY has created two new subsidiaries, Access.1 New York License Company, LLC and Access.1 Texas License Company, LLC. Upon consummation, Access.1 NY will assign all of the licenses of its stations to one or the other of these subsidiaries.

Access.1 Shreveport is currently the licensee of 6 stations. Pursuant to the proposed restructuring, Access.1 Shreveport has created a new subsidiary, Access.1 Louisiana Holding Company LLC. Upon consummation, Access.1 Shreveport will assign the licenses of its stations to this subsidiary.

In order to accomplish this corporate restructuring, the following pro forma assignment applications are being filed simultaneously with the Commission:

1. An application on FCC Form 316 requesting Commission consent to the pro forma assignment of the license of WWRL(AM), New York NY from Access.1 NY to Access.1 New York License Company LLC.
2. An application on FCC Form 316 requesting Commission consent to the pro forma assignment of the licenses of KCUL(AM) and KCUL-FM, Marshall, TX from Access.1 NY to Access.1 Texas License Company LLC.
3. An application on FCC Form 316 requesting Commission consent to the pro forma assignment of the licenses of KBTT(FM), Haughton, LA, KSYR(FM), Benton, LA, KOKA(AM), Shreveport, LA, KDKS-FM, Blanchard, LA, KLKL(FM), Minden, LA, and KTAL-FM, Shreveport, LA/Texarkana, TX from Access.1 Shreveport to Access.1 Louisiana Holding Company LLC.

Because the above referenced applications are inter-related, it is respectfully requested that they be processed and granted simultaneously.
