For purposes of this Agreement, the term "Final Order" means action by the FCC consenting to an application which is not reversed, stayed, enjoined, set aside, annulled or suspended, and with respect to which action no timely request for stay, petition for rehearing or appeal is pending, and as to which the time for filing any such request, petition or appeal or reconsideration by the FCC on its own motion has expired. (a) Seller is a corporation duly formed, validly existing and in good standing under the laws of the State of California and is authorized to do business in the State of Iowa. Seller has the power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by Seller and no other proceedings on the part of Seller are necessary to authorize this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by Seller and constitutes the legal, valid and binding obligation of Seller enforceable in accordance with its terms, except as may be limited by bankruptcy, insolvency or other laws affecting generally the enforcement of creditors' rights or the application of principles of equity.

(b) The execution, delivery and performance of this Agreement by Seller will not (i) constitute a violation of or conflict with Seller's organizational documents, (ii) result in a default (or give rise to any right of termination, cancellation or acceleration) under or conflict with any of the terms, conditions or provisions of any note, bond, mortgage, indenture, agreement, lease or other instrument or obligation relating to the business of the Stations and to which Seller or any of the Assets may be subject, except for such defaults (or rights of termination, cancellation or acceleration) as to which requisite waivers or consents have been obtained and delivered to Buyer, (iii) violate any law, statute, rule, regulation, order, writ, injunction or decree of any federal, state or local governmental authority or agency and which is applicable to Seller or any of the Assets, (iv) result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever on any of the Assets, or (v) require the consent or approval of any governmental authority or other third party other than the FCC Consent.

(c) Schedule 1 hereto contains a list of the tangible personal property owned by Seller for use in connection with the operation of the Stations that will be acquired by Buyer. Seller owns and has, and will have on the Closing Date, good and marketable title to the Tangible Personal Property.

Except as set forth in Schedule 2, Seller is operating the Stations in all material respects in accordance with the FCC Authorizations, and all rules, regulations and policies of the FCC (the "Communications Laws"). Buyer acknowledges that KIFR is currently operating at low power pursuant to Special Temporary Authority issued by the FCC. The Stations are not transmitting or receiving any objectionable interference to or from any other Stations, and the Stations are not short-spaced to any other Stations. There is not now pending or, to Seller's knowledge, threatened any action by or before the FCC to revoke, cancel, rescind, modify or refuse to renew any of such FCC Authorizations, and Seller has not received any notice of and has no knowledge of any pending, issued or outstanding order by or before the FCC, or of any investigation, order to show cause, notice of violation, notice of apparent liability, notice of forfeiture, or material complaint against either the Stations or Seller. Except as set forth in Schedule 2, all material reports and filings required to be filed with the FCC by Seller with respect to the operation of the Stations have been timely filed, and all such reports and filings are accurate and currently are in material compliance. Seller maintains a public inspection file for KIFR and, to Seller's knowledge, such file complies with the Communications Laws.

(e) Except as set forth in Schedule 2, Seller has complied in all material respects with all requirements of the FCC and the FAA with respect to the construction and/or alteration of the Seller's antenna structures, and "no hazard" determinations for each antenna structure have been obtained, where required.

(f) Seller has valid leasehold interests in the Tower Leases as described on Schedule 3, free and clear of all liens, mortgages, pledges, covenants, restrictions, leases, charges or other claims or encumbrances of any nature whatsoever, and no party is in material breach or default with respect to the same. To Seller's knowledge, there is full legal and practical access to the Tower Site Properties and all utilities necessary for Buyer's use of the Tower Site Properties as radio tower facilities are installed and are in good working order, and are subject to valid easements, where necessary.

(g) The instruments to be executed by Seller and delivered to Buyer at the Closing, conveying the Assets to Buyer, will transfer good and marketable title to the Assets free and clear of all Liens other than Permitted Liens.

(h) There is no broker or finder or other person who would have any valid claim for a commission or brokerage in connection with this Agreement or the transaction contemplated hereby as a result of any agreement, understanding or action by Seller.

(i) No representation or warranty made by Seller in this Agreement, and no statement made in any certificate, document, exhibit or schedule furnished or to be furnished in connection with the transactions herein contemplated, contains or will contain any untrue statement of a material fact or omits or will omit to state any material fact necessary to make such representation or warranty or any such statement not misleading to Buyer.

6. Representations and Warranties of Buyer. Buyer hereby makes the following representations and warranties to Seller:

(a) Buyer is a corporation duly organized, validly existing and in good standing under the laws of the State of California, and has the requisite power and authority to own, lease and operate its properties and to carry on its business in the State of Iowa.

(b) Buyer has the power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by Buyer and no other proceedings on the part of Buyer are necessary to authorize this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by Buyer and constitutes the legal, valid and binding agreements of Buyer enforceable in accordance with their respective terms, except as may be limited by bankruptcy, insolvency or other laws affecting generally the enforcement of creditors' rights or the application of principles of equity.

(c) The execution, delivery and performance of this Agreement by Buyer will not (i) conflict with or result in any breach of any provision of the articles of incorporation or by-laws of Buyer, or (ii) result in a default (or give rise to any right of termination, cancellation or acceleration) under or conflict with any of the terms, conditions or provisions of any note, bond, mortgage, indenture, agreement, lease or other instrument or obligation, relating to its own business, except for such defaults (or rights of termination, cancellation or acceleration) as to which requisite waivers or consents have been obtained and delivered to Seller, (iii) violate any law, statute, rule, regulation, order, writ, injunction or decree of any federal, state or local governmental authority or agency and which is applicable to Buyer, or (iv) require the consent or approval of any governmental authority, lending institution or other third party other than the FCC Consent.

(d) Buyer is legally, financially and technically qualified to acquire and become the FCC licensee of the Stations and to operate the Stations in the manner contemplated.

(e) There is no litigation, proceeding or governmental investigation pending or to the knowledge of Buyer, threatened, in any court, arbitration board, administrative agency, or tribunal against or relating to Buyer including without limitation, any voluntary or involuntary petition under Federal bankruptcy law or any state receivership or similar proceedings, that would prevent or materially impede the consummation by Buyer of the transactions contemplated by this Agreement, nor does Buyer know of, or have any reasonable ground to know of, in view of its present situation or action it now contemplates taking, any basis for such litigation, proceeding or investigation.

(f) There is no broker or finder or other person who would have any valid claim against Buyer for a commission or brokerage in connection with this Agreement or the transactions contemplated hereby as a result of any agreement, understanding or action by Buyer.

7. Covenants.

(a) Seller covenants with Buyer that, between the date hereof and the Closing Date, Seller shall act in accordance with the following, unless the Buyer otherwise agrees in writing (which agreement shall not be unreasonably withheld or delayed):

(i) Subject to Buyer's agreement to accept KIFR "AS IS, WHERE IS", Seller shall maintain the Tangible Personal Property included in the Assets in accordance with standards of good engineering practice and replace any of such property which shall be worn out, lost, stolen or destroyed with like property of substantially equivalent kind and value.

(ii) Seller shall continue to operate and maintain the Stations in accordance with the terms of the FCC Authorizations and in material compliance with all applicable laws and FCC rules and regulations. Seller will deliver to Buyer, promptly after filing, copies of any reports, applications or responses to the FCC or any communications from the FCC or any other party directed to the FCC related to the Stations which are filed between the date of this Agreement and the Closing Date. Seller will not file any application to modify the Stations's facilities except such modifications as are required by the public interest as determined in the sole discretion of Seller, exercised in good faith after consultation with Buyer, and Seller shall take all actions necessary to keep the Licenses valid and in full force and effect.

(iii) Seller shall maintain insurance on all of the Tangible Personal Property in such amounts as necessary to repair or rebuild the applicable Assets.

(iv) From the date hereof to the Closing Date, Seller shall afford, and shall cause its respective officers, directors, employees and agents to afford to Buyer reasonable access during regular business hours to Seller's officers, employees, independent contractors, agents, properties, records and contracts relating to the Assets, and shall furnish Buyer all operating and other data and information with respect to the Assets as Buyer, through its respective officers, employees, advisors or agents, may reasonably request.

(v) On or before the Closing Date, Seller shall furnish to Buyer revised Schedules to this Agreement as may be necessary to render such Schedules accurate and complete as of the Closing Date. Seller shall give detailed written notice to Buyer promptly upon the occurrence of or becoming aware of the impending or threatened occurrence of, any event which would cause or constitute a breach or would have caused a breach had such event occurred or been known to Seller prior to the date hereof, of any of Seller's representations or warranties contained in this Agreement or in any Schedule.

(b) Buyer covenants with Seller that, between the date hereof and the Closing Date, it shall act in accordance with the following:

(i) Buyer shall give detailed written notice to Seller promptly on learning of the occurrence of any event that would cause or constitute a breach, or that would have caused a breach had such event occurred or been known to Buyer on or before the date of this Agreement, of any of Buyer's representations or warranties contained in this Agreement or in any Schedule attached hereto. Any such notice to Seller, similar informal notice by Buyer to Seller, or independent investigation, examination, or other source of knowledge by Seller regarding a breach of Buyer's representations and warranties shall not in any way diminish or

TRW

obviate any representations or warranties of Buyer made in this Agreement, the Schedules and documents delivered pursuant to this Agreement.

(ii) Buyer shall maintain its qualifications to be the FCC licensee of the Stations.

(iii) Subject to the provisions of this Agreement, Buyer shall fulfill and perform all conditions and obligations on its part to be fulfilled and performed under this Agreement and to cause the transactions contemplated by this Agreement to be fully carried out. If any event should occur which would prevent the consummation of the transactions contemplated hereunder (other than an event proximately caused by Seller), Buyer shall notify Seller of such event and shall use its best efforts to cure such event as expeditiously as possible.

(c) Subject to the terms and conditions of this Agreement, each of the parties hereto will use its reasonable best efforts to take all action and to do all things necessary, proper or advisable to satisfy any condition to the parties' obligations hereunder in its power to satisfy and to consummate and make effective as soon as practicable the transactions contemplated by this Agreement.

8. Conditions Precedent to Obligation to Close.

(a) The performance of the obligations of Seller hereunder is subject to the satisfaction of each of the following express conditions precedent, unless waived in writing by Seller:

(i) Buyer shall have performed and complied in all material respects with all of the agreements, obligations and covenants required by this Agreement to be performed or complied with by Buyer prior to or as of the Closing Date;

(ii) The representations and warranties of Buyer set forth in this Agreement shall be true and correct in all material respects on and as of the Closing Date with the same effect as if made on and as of the Closing Date;

(iii) The FCC Consent contemplated by this Agreement shall be effective;

(iv) Buyer shall have delivered to Seller, on the Closing Date, the Purchase Price and the documents required to be delivered pursuant to Section 9(b); and

(v) Buyer shall not be subject to any voluntary or involuntary petition under Federal bankruptcy law, or any state receivership or similarly proceeding.

(b) The performance of the obligations of Buyer hereunder is subject to the satisfaction of each of the following express conditions precedent:

(i) Seller shall have performed and complied in all material respects with all the agreements, obligations and covenants required by this Agreement to be performed or complied with by Seller prior to or as of the Closing Date;

(ii) The representations and warranties of Seller set forth in this Agreement shall be true and correct in all material respects on and as of the Closing Date with the same effect as if made on and as of the Closing Date;

(iii) None of the events or conditions referenced in Section 19 below shall have occurred and not been remedied as set forth in Section 19;

(iv) The FCC Consent contemplated by this Agreement shall be effective and shall have become a Final Order;

(v) There shall not be any Liens on the Assets or any financing statements of record other than Permitted Liens and those to be satisfied by Seller on or before the Closing Date; and

TRC

(b) Prior to or at the Closing, Buyer will deliver to Seller the following, each of which shall be in form and substance satisfactory to Seller and its counsel:

- (i) The Purchase Price;
- (ii) An Assignment and Assumption of the Stations' FCC Authorizations;
- (iii) A certificate, dated the Closing Date, executed by an officer of Buyer, certifying the fulfillment of the conditions set forth in Section 8(a)(i) and (ii) hereof;

- (vi) Such other documents, instruments and agreements necessary to consummate the transactions contemplated by this Agreement or as Seller shall reasonably request, each in form and substance satisfactory to Seller and its counsel.

10. Indemnification.

(a) Following the Closing, Seller shall indemnify, defend and hold harmless Buyer with respect to any and all demands, claims, actions, suits, proceedings, assessments, judgments, costs, losses, damages, liabilities and expenses (including, without limitation, interest, penalties, court costs and reasonable attorneys' fees) ("*Damages*") asserted against, resulting from, imposed upon or incurred by Buyer directly or indirectly relating to or arising out of: (i) the breach by Seller of any of its representations or warranties that survive the Closing, or failure by Seller to perform any of its covenants, conditions or agreements set forth in this Agreement that survive the Closing; and (ii) any and all claims, liabilities and obligations of any nature, absolute or contingent, relating to the ownership and operation of the Stations prior to the Closing, including the Retained Liabilities and with respect to the Excluded Assets.

(b) Following the Closing, Buyer shall indemnify, defend and hold Seller harmless with respect to any and all Damages asserted against, resulting from, imposed upon or incurred by Seller directly or indirectly relating to or arising out of: (i) the breach by Buyer of any of its representations, warranties, that survive Closing or failure by Buyer to perform any of its covenants, conditions or agreements set forth in this Agreement that survive Closing; and (ii) any and all claims, liabilities and obligations of any nature, absolute or contingent, relating to the ownership and operation of the Stations, as conducted by Buyer, subsequent to the Closing.

(c) If either party hereto (the "*Indemnitee*") receives notice or otherwise obtains knowledge of any matter with respect to which another party hereto (the "*Indemnifying Party*") may be obligated to indemnify the Indemnitee under this Section 10(c), then the Indemnitee shall promptly deliver to the Indemnifying Party written notice describing such matter in reasonable detail and specifying the estimated amount of the Damages or liability that may be incurred by the Indemnitee in connection therewith. The Indemnifying Party shall have the right, at its

option, to assume the complete defense of such matter at its own expense and with its own counsel, provided such counsel is reasonably satisfactory to the Indemnatee. If the Indemnifying Party elects to assume the defense of such matter, then (i) notwithstanding anything to the contrary herein contained, the Indemnifying Party shall not be required to pay or otherwise indemnify the Indemnatee against any such matter following the Indemnifying Party's election to assume the defense of such matter, (ii) the Indemnatee shall fully cooperate as reasonably requested by the Indemnifying Party in the defense or settlement of such matter, (iii) the Indemnifying Party shall keep the Indemnatee informed of all material developments and events relating to such matter, and (iv) the Indemnatee shall have the right to participate, at its own expense, in the defense of such matter. In no event shall the Indemnifying Party be liable for any settlement or admission of liability with respect to such matter without its prior written consent.

(d) Except for Section 5(c) as it relates to title, which shall survive through the applicable statute of limitations, the several representations and warranties of Seller and Buyer contained in or made pursuant to this Agreement shall expire on the date that is six (6) months after the Closing Date.

11. Termination.

(a) This Agreement may be terminated by either Buyer or Seller, if the party seeking to terminate is not in default or breach of any of its material obligations under this Agreement, upon written notice to the other upon the occurrence of any of the following: (a) if, on or prior to the Closing Date, the other party breaches any of its material obligations contained herein, and such breach is not cured by the earlier of the Closing Date or thirty (30) days after receipt of the notice of breach from the non-breaching party, provided however that such opportunity to cure shall not apply to the failure of a party to perform its obligations set forth in Section 4 or Section 9, hereof; or (b) if the Assignment Application is denied by Final Order; or (c) if there shall be in effect any judgment, final decree or order that would prevent or make unlawful the Closing of this Agreement; or (d) if the Closing has not occurred within twelve (12) months after the date hereof.

Upon a termination of this Agreement by Seller due to a breach by Buyer of any of its material obligations under this Agreement, Seller's sole remedy shall be payment by Buyer to Seller, as liquidated damages and not as a penalty, an amount equal to five percent (5%) of the Purchase Price ("Liquidated Damages").

THE DELIVERY OF THE LIQUIDATED DAMAGES AMOUNT TO SELLER SHALL BE CONSIDERED LIQUIDATED DAMAGES AND NOT A PENALTY, AND SHALL BE THE RECIPIENT'S SOLE REMEDY AT LAW OR IN EQUITY FOR A BREACH HEREUNDER IF CLOSING DOES NOT OCCUR. BUYER AND SELLER EACH ACKNOWLEDGE AND AGREE THAT THIS LIQUIDATED DAMAGE AMOUNT IS REASONABLE IN LIGHT OF THE ANTICIPATED HARM WHICH WILL BE CAUSED BY A BREACH OF THIS AGREEMENT, THE DIFFICULTY OF PROOF OF LOSS, THE INCONVENIENCE AND NON-FEASIBILITY OF OTHERWISE OBTAINING AN ADEQUATE REMEDY, AND THE VALUE OF THE TRANSACTION TO BE CONSUMMATED HEREUNDER.

If Seller is entitled to the Liquidated Damages, Buyer shall immediately pay to Seller, by wire transfer of available funds, an amount equal to five percent (5%) of the Purchase Price.

(b) Upon a termination of this Agreement for any reason other than as a result of a breach by either party of any of its material obligations under this Agreement neither party will have any further liability or obligation to the other with respect to this Agreement, except with respect to the confidentiality provisions herein.

12. Specific Performance. Seller acknowledges that the Stations are unique assets not readily obtainable on the open market and that, in the event that Seller fails to perform its obligation to consummate the transaction contemplated hereby, money damages alone will not be adequate to compensate Buyer for its injury. Therefore, Seller agrees and acknowledges that in the event of Seller's failure to perform its obligation to consummate the transaction contemplated hereby, Buyer shall be entitled upon payment of the Purchase Price (in lieu of any other rights and remedies on account of such failure if such relief is granted), to specific performance of the terms of this Agreement and of Seller's obligation to consummate the transaction contemplated hereby. If any action is brought by Buyer to enforce this Agreement, Seller shall waive the defense that there is an adequate remedy at law.

13. Confidentiality.

(a) Each party shall hold, and shall cause its officers, employees, agents and representatives, including, without limitation, attorneys, accountants, consultants and financial advisors who obtain such information to hold, in confidence, and not use for any purpose other than evaluating the transactions contemplated by this Agreement, any confidential information of another party obtained through the investigations permitted hereunder, which for the purposes hereof shall not include any information which (i) is or becomes generally available to the public other than as a result of disclosure by the party which alleges the information is confidential or its affiliates, (ii) becomes available to a party on a nonconfidential basis from a source, other than the party which alleges the information is confidential or its affiliates, which has represented that such source is entitled to disclose it, or (iii) was known to a party on a nonconfidential basis prior to its disclosure to such party hereunder.

(b) In the event that either party determines in good faith that a press release or other public announcement is desirable under any circumstances, the parties shall consult with each other to determine the appropriate timing, form and content of such release or announcement.

14. Notices. All notices, elections and other communications permitted or required under this Agreement shall be in writing and shall be deemed effectively given or delivered upon personal delivery (or refusal thereof), or twenty-four (24) hours after delivery to a courier service which guarantees overnight delivery, or five (5) days after deposit with the U.S. Post Office, by registered or certified mail, postage prepaid, and, in the case of courier or mail delivery, addressed as follows (or at such other address for a party as shall be specified by like notice):

15. Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of California, without giving effect to the choice of law principles thereof.

16. Partial Invalidity. Wherever possible, each provision hereof shall be interpreted in such manner as to be effective and valid under applicable law, but in case any provision contained herein shall, for any reason, be held to be invalid or unenforceable, such provision shall be ineffective to the extent of such invalidity or unenforceability without invalidating the remainder of such provision or any other provisions hereof, unless such a construction would be unreasonable.

17. Counterparts. This Agreement may be executed in several counterparts, each of which will be deemed to be an original but all of which together will constitute one and the same instrument. This Agreement may be executed and exchanged by facsimile or other electronic transmission, with the same legal effect as if the signatures had appeared in original handwriting

on the same physical document. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine as a defense to the formation of a contract and each such party forever waives any such defense.

18. **Expenses.** Except as otherwise set forth in this Section, each party hereto shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation, preparation and performance of and compliance with the terms of this Agreement. The FCC filing fees relating to the Assignment Application shall be shared equally between Buyer, on the one hand, and Seller, on the other hand.

19. **Risk of Loss.** The risk of loss to any of the Assets on or prior to the Closing Date shall be upon Seller.

20. **Assignment.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. No party may voluntarily or involuntarily assign its interest or delegate its duties under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed.
