Requests for Special Temporary
Authority to Remain Silent

Dear Mr. McCormick:

This letter concerns the requests you filed on January 16, 2015, on behalf of Spring Arbor University ("SAU"), for Special Temporary Authority ("STA") to permit FM Translator Stations W258AH, W222BB, and W246AU to remain silent.

SAU's request states that Stations W258AH, W222BB, and W246AU went silent on January 11, 2015, for technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.¹

SAU's request is granted. Accordingly, Special Temporary Authority is granted to permit Stations W258AH, W222BB, and W246AU to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast licenses for Stations W258AH, W222BB, and W246AU will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., January 12, 2016.**²

SAU is required to notify the Commission when broadcast operations resume.³ If SAU does not file the notification of resumption of operations in a timely manner, the licenses may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.⁴

The stations' silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the stations' towers shall be maintained until removed.⁵

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
Media Bureau
