

Providence Community Radio

STATEMENT OF PLEDGE OF DIVESTITURE

As of this date of filing, Providence Community Radio has an extant full-service (full-power) NCE (Class A) Construction Permit for the community of Harrisville, Rhode Island, to wit:

Facility ID: 172797

Application No.: BNPED-20071017AIV

The specific disposition of the above remains in pending settlement and cannot at this time be prosecuted to fulfillment, nor has a final settlement between mutually exclusive parties been fixed. Thus, no facility has yet been constructed nor are any broadcast operations at such facility taking place or immediately foreseen.

Pursuant to 47 C.F.R. Section 73.860(d), Providence Community Radio hereby pledges to divest the above broadcast interest prior to the commencement of operations of an LPFM station in which Providence Community Radio also holds an interest.

Respectfully,
Wesli Dymoke
President,
Providence Community Radio
