In re: Low Power Television Application of:
Hosanna Apostolic Ministries
Broadcasting Corporation
Channel 44, Hereford, TX.
File number BPDTL-20100208AAX
Facility Id No.: 129974

Dear Applicant:

On March 15, 2010, the licensee as addressed above was sent a deficiency letter outlining the following interference issues:

Our preliminary engineering review reveals that your proposed facility does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. KTXD-LP, Amarillo, TX. – BLTTTL-20020614AAF
2. K45KR, Amarillo, TX. – BNPTTL-20000830BRV

You are hereby given the opportunity to file a minor amendment to resolve these specified interference problems within (30) days from the date of this letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

We have completed our engineering review of the proposed construction permit with the amended specification included from the amendment filed March 25, 2010, specifically to resolve the above referenced interference issues. Our review reveals that your proposed facility still does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. K45KR, Amarillo, TX. – BNPTTL-20000830BRV

Due to the ongoing interference issue to the above referenced station, the above referenced proposed construction permit is considered incomplete and IS HEREBY DISMISSED.

Sincerely

Hossein Hashemzadeh
