

The purpose of this exhibit is to demonstrate compliance with Multiple Ownership rules. A review of the location of each of the radio stations owned by Joy Christian Communications, Inc. makes it clear that the proposed assignment of license of WROM, Rome, GA is in full compliance with the Commission's multiple ownership rules because each station is located in separate markets.

Joy Christian Communications, Inc. is currently the licensee of the following facilities:

- 1) WLYJ, Centre, AL; (Cherokee County) facility #54521
- 2) WLYG, Hanceville, Alabama (Cullman County) facility #57437
- 3) WRSM, Sumiton, Alabama (Walker County) facility #63652 (Pending form 314, should be approved any time now).
- 4) WROM, Rome, GA (this application) facility #66283

Each of these four stations is in a separate market with a minimum of 40 miles between the closest of these stations, and a maximum of 142 miles between the farthest.

There is no physical overlap between the principal community contours of WLYG, WLYJ, WRSM, or WROM or the principal community contours of any other authorized or proposed facilities for any facility in which Joy Christian Communications, Inc has attributable interest.
