Dear Applicant:

This is in reference to the request filed April 18, 2008, on behalf of Montgomery Broadcasting Company ("Montgomery"), licensee of W270BK, Clarksville, Tennessee. Montgomery requests special temporary authority ("STA") to rebroadcast the programming of AM Station WQZQ(AM), licensed to Winston Communications, Inc. in Clarksville, Tennessee, on FM Translator W270BK. In support of the request, Montgomery states that WQZQ(AM) is unable to provide an interference-free signal to the area as a result of interference from adjacent-channel stations.

Having given the proposal thorough consideration, we find that the Public Interest would be served by grant of Montgomery's request.

Accordingly, the request for STA IS HEREBY GRANTED. Station WQZQ(AM) may rebroadcast its programming on FM Translator W270BK. Montgomery must take whatever steps are necessary to prevent exposure of workers and/or the public to radio frequency fields in excess of the Commission's exposure limits. See 47 CFR Sections 1.1307(b), 1.1310.

This authority expires on **November 28, 2008**.

Sincerely,

James D. Bradshaw
