

KQ Media Group Inc.

1633 E. Vine Street suite 203 Kissimmee, FL 34744

Radio Station Mission

By utilizing and operating our low power radio station KQ Media Group will be collaborating with local colleges to give the opportunity to students to gain the necessary experience within their field of study, Radio Broadcasting. We will have the ability to inform and impact a broader bilingual educational outlet to our local community, we would provide information on economic development training programs, dramatic performances, lectures, musical recordings of both popular and alternative musical formats, Immigration issues, health education, Current academic educational programs and services available to our youth where they will become confident committed and engaged. Overall this tool will used to educate and empower people of all ages to participate in open discussions of problems, solutions, opportunities, and motivate individuals to get involved by participating and performing various roles to enhance our community.

Proposed programming.

This program will serve as a source of local news and announcements on educational services and community events. It will include: news releases from Federal, State and local community; interviews with State representatives and local community organizations, subject matter experts, and guest speakers, and; pre-recorded news stories and features about local problems, controversies, and solutions.

Mid-Day

This will serve as a forum for open discussion of controversy and community issues. Listeners will be able to participate and call our studio live to voice their opinion on issues affecting them, or their local community. The show will feature regular guests such as community activists, organizational representatives, subject matter, researchers, performers, and elected officials.

Featured events

This program will promote and preview local community, school and university events, health education, Breast cancer awareness, musical performances, Arts and theatrical. Individuals involved in planning an event will participate during the broadcast.

Public affairs

Elected city commissioners, state representatives, and members of local congressional will be invited to participate in an open forum in which issues are discussed with listeners who are encouraged to call in their questions and comments.

Live programming

On a daily bases the station will interrupt regular programming to provide information about local events, traffic conditions, weather, and local news.

Emergency broadcast

Will be available 24 hours 7days a week for safety precautions.
