Dear Mr. Hashemzadeh

Please dismiss application number BNPTTL-200831BBC, facility ID# 128510 for George V. Young for channel 20, minus offset.

In a separate issue, George V. Young as sole owner of K18DD, facility ID 9959 and NEW application (for channel 19, plus offset) number BNPTTL-20000831BBE, Facility ID 128513 does hereby agree to accept or mitigate any interference issues between these two broadcast facilities.

K18DD has received a construction permit due to DTV displacement for channel 19, plus offset and has applied for DTV displacement on channel 46, plus offset, all of these at the Mingus site. Upon the granting of the channel 46, plus offset construction permit, K18DD plans to dismiss its channel 19, plus offset construction permit. In any event George V Young will mitigate any interference issues between K18DD, facility ID 9959 which includes any and all DTV displacement channels and the NEW application, facility ID 128513, channel 19, plus offset at Squaw Peak

Sincerely,

Roger Doering, Engineer
