In re: NEW(FM), Denver, PA
Facility ID No. 155464
BNPFT-20130812ABB
Petition to Deny

Dear Applicant:

The staff has under consideration: (1) the above-captioned application as amended on April 1, 2013, for a new translator at Denver, Pennsylvania; (2) the Petition to Deny filed by Greater Boston Radio, Inc. ("GBR") on September 3, 2013; and (3) all related pleadings. For the reasons set forth herein, we dismiss the Petition to Deny as moot and grant the application.

Greater Boston Radio, Inc., in its Petition to Deny states that the proposed operation of the new facility on channel 227 will cause predicted interference to listeners of WMMR in violation of 47 C.F.R. Section 74.1204(f). On November 25, 2013, Airport Investors L.P. amended the application to change the channel from 227 to 225, which will eliminate the potential interference.

Accordingly, the September 3, 2013, Petition to Deny filed by Greater Boston Radio, Inc., IS HEREBY DISMISSED AS MOOT and BNPFT-20130812ABB IS HEREBY GRANTED. This action is taken pursuant to 47 C.F.R. § 0.283.
