Engineer Affidavit, WWQZ/BMPED-20110831ACM

I, Joel Epley, am an active broadcast engineer with experience in setting up multiple broadcast facilities, including others using similar Shively/Aldena custom directional arrays. I have now served as the supervising installation engineer for WWQZ, Baptist Village, Massachusetts.

I am familiar with the terms of WWQZ's construction permit, and with its antenna proof of performance, and hereby declare that the antennas have been installed in accordance with both the terms of the FCC Construction Permit, and with the antenna manufacturer's instructions.

Respectfully Submitted,

A handwritten signature in black ink that reads "Joel A. Epley". The signature is written in a cursive style with a long horizontal line extending from the end of the name.
