

Assignor Exhibit 5
Form 316, Section II, Item 6
Agreements

As described in Exhibit 2, the instant application seeks Commission consent to a *pro forma* assignment of the station license(s) listed herein from the current Licensee to Scripps Broadcasting Holdings LLC (“SBH”)--but only *after* the consummation of a Commission-approved transfer of control of that Licensee to Scripps Media, Inc. (“SMI”).

At that point, both the Licensee Assignor and SBH will be wholly-owned subsidiaries of SMI. Because this will be an intra-company transaction, there is no formal agreement between the Assignor and the Assignee.
