Dear Licensee:

By letter dated June 25, 2010, the staff cancelled the license of the above referenced station pursuant to Section 312(g) of the Communications Act of 1934, as amended, [1] because Commission records indicated that W17CI had been silent since February 27, 2009.[2] Convergence Entertainment & Communications LLC filed a petition for reconsideration in which it is represented that the station resumed operations on August 26, 2009. Based upon this representation, the petition for reconsideration IS GRANTED and the authorization for W17CI IS REINSTATED.

Sincerely,

Hossein Hashemzadeh
Associate Chief, Video Division
