Construction Permit: BNP-20041027AER
As modified by BMP-20060918ABN
License Application: BL-20090320AHD

Dear Mr. Belisle:

This is in reference to the above captioned license application, and to the May 1, 2009, request for an extension of time in response to the staff April 2, 2009, letter. In the request, you state that issue #1 and #3 raised in the letter will be resolved next week when WNOG(AM) files a license application to cover Construction permit BP-19890426AE and that WNPL(AM) needs to make additional adjustments to address issue #2 regarding spurious emissions.

Accordingly, WNPL(AM)'s request for additional time to amend the application is hereby granted. Failure to respond or file by **June 2, 2009**, will result in dismissal of the application pursuant to Section 73.3568 of the Commission's Rules.

Sincerely,

Son Nguyen,
