

Multiple Ownership

The assignment proposed in this application is consistent with the Commission's revised local radio multiple ownership rule, Section 73.3555. Pursuant to this application and three concurrently filed applications arising from the same Asset Purchase Agreement, Border Media Partners, L.P. ("Border") would hold attributable interests in the following domestic radio stations licensed to communities within the Austin Arbitron Metro market:

KFON(AM), Austin, Texas
KKLB(FM), Elgin, Texas
KTXZ(AM), West Lake Hills, Texas
KELG(AM), Manor Texas.

Additionally, Border has received consent to the transfer of control of the following three stations from Amigo Radio, Ltd. (*see* Files No. BTC-20040901ACV and BALH-20041109-ADI, -ADJ, and -ADK) (the "Amigo Transactions"):

KHHL(FM), Leander, Texas
KOKE(AM), Pflugerville, Texas
KXXS(FM), Dripping Springs, Texas.

BIA's Media Access Pro database reports that there are a total of 40 full-power commercial and non-commercial domestic radio stations licensed to (or home to) the Austin Metro. *See* BIA Market Definition attached hereto. Upon grant of these four applications and subsequent consummations, together with consummation of the Amigo Transactions, Border would hold an attributable interest in seven domestic radio stations (four AM and three FM) licensed or home to the Austin Metro. The Commission's revised multiple ownership rule permits common ownership of up to seven full-power stations (and not more than four in a single service) in a market of 30-44 radio stations.
