

Exhibit 4
FCC Form 314
Entravision Holdings, LLC

The Applicant has responded “no” to Section II, Item 3 of Form 314, because all of the Exhibits and Schedules to the Asset Purchase Agreement, except for the Escrow Agreement, that are ancillary to the transaction contemplated by the Asset Purchase Agreement, have been omitted from the items attached to this filing. The omitted Exhibits and Schedules are not provided because they either contain proprietary information or are not material to the Commission’s consideration of this application. In compliance with the requirements set forth in the Commission’s Public Notice, *Media Bureau Announces Interim Filing and Certification Requirements Regarding the Submission of Contract with Assignment/Transfer of Control Applications*, 17 FCC Rcd 16166 (Med. Bur. 2002), and *Luj, Inc.*, FCC No. 02-235 (August 22, 2002), the following is a description of the omitted documents stating both the specific reason(s) for omitting them and the basis upon which the Applicant contends that the documents are not material to the Commission’s consideration of this application.

Document Description and Basis:

Exhibit A Assignment and Assumption of Contracts

The information contained herein is commercial in nature and, therefore, not relevant to the Commission’s analysis of this application

Exhibit B Assignment and Assumption of Lease Agreements

The information contained herein is commercial in nature and, therefore, not relevant to the Commission’s analysis of this application

Exhibit C Bill of Sale

This is a form of a closing document that is not relevant to the Commission’s analysis of this application.

Exhibit D Consent to Assignment and Estoppel Agreements

These are forms of closing documents that are not relevant to the Commission’s analysis of this application.

Exhibit F Purchaser’s Letter to Time Brokers

This is a form of a closing document that is not relevant to the Commission’s analysis of this application.

Exhibit G Assignment Applications

This Exhibit replicates what is file in the instant application

Schedule 2.01(a) FCC Licenses and Other Authorizations

FCC authorizations are part of the Commission's public records and are, therefore, unnecessary to repeat here.

Schedule 2.01(b) Fixed, Tangible and Intangible Assets

The list of equipment used in operation of the Stations is technical in nature and, therefore, not relevant to the Commission's analysis of this application.

Schedule 2.01(c) Contracts

This schedule consists of assets or property of the licensee which are proprietary in nature. Such terms are commercial in nature and, therefore, not relevant to the Commission's analysis of this application.

Schedule 2.01(d) Intellectual Property

This schedule consists of assets or property of the licensee which are proprietary in nature. Such terms are commercial in nature and, therefore, not relevant to the Commission's analysis of this application.

Schedule 2.01(f) Real Property

This schedule consists of assets or property of the licensee which are proprietary in nature. Such terms are commercial in nature and, therefore, not relevant to the Commission's analysis of this application.

Schedule 2.01(g) Leases

This schedule consists of assets or property of the licensee which are proprietary in nature. Such terms are commercial in nature and, therefore, not relevant to the Commission's analysis of this application.

Schedule 2.01(a)(i) Assumed Liabilities

This schedule consists of assets or property of the licensee which are proprietary in nature. Such terms are commercial in nature and, therefore, not relevant to the Commission's analysis of this application.

Schedule 3.02 Allocation of Purchase Price

This schedule consists of information concerning the assets being sold and the results of negotiations between the parties, which are proprietary in nature. Such terms are commercial in nature and, therefore, not relevant to the Commission's analysis of this application.

Schedule 7.01(j) Other Required Consents or Approvals

This schedule consists of information concerning the assets being sold and the results of negotiations between the parties, which are proprietary in nature. Such terms are commercial in nature and, therefore, not relevant to the Commission's analysis of this application.

Schedule 7.01(k) Governmental Authority Permits

This schedule consists of authorizations from other governmental agencies. Such information is not relevant to the Commission's analysis of this application.

Schedule 10.01 Seller's Employees

This schedule consists of information dealing with employees of the Stations and is proprietary in nature. Such terms are commercial in nature and, therefore, not relevant to the Commission's analysis of this application
