

**Affidavit of John D. Kennedy for Entercom License, LLC  
Regarding installation of  
Antenna for WAAF(FM), Westborough, Massachusetts  
Construction Permit File Number: BXPB-20140919ADC  
FCC Facility ID Number: 74467**

April 20, 2015

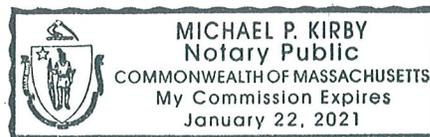

Entercom License, LLC, licensee of WAAF(FM), Westborough, Massachusetts has now installed the station's antenna pursuant to the antenna manufacturer's specifications in order to produce the directional antenna pattern specified in the construction permit, file number BXPB-20140919ADC.

It is the undersigned's belief that the WAAF(FM) antenna is correctly installed and oriented so as to produce the directional antenna pattern specified in the construction permit.

The installation work was conducted under my direct supervision and within the scope of my understanding and expertise. I certify that I am a qualified broadcast radio engineer of 35 years' experience.

A handwritten signature in cursive script that reads "John D. Kennedy".

John D. Kennedy  
Director of Corporate Engineering  
Entercom License, LLC
