

Exhibit 1
Ames Chinese Ministry Association
Extent of Changes
Ames, Iowa

Portions of application being modified:

Section V - LPFM Engineering
Questions 3, 5, 6, and 7.

The applicant is increasing the radiation center, tower height, and moving to a new site. The new site is less than 2.0 km from the original location, therefore the site is in compliance with §73.870.

No other changes are being proposed.
