

Section 307(b)

Riverfront Broadcasting, LLC, (“Riverfront”) is the permittee of construction permit BNPH-20120529AEW for Channel 283C0 at Murdo, South Dakota (Facility ID No. 190370). Riverfront is filing an FCC Form 301 construction permit modification to specify operation on Channel 283C1 for a first local transmission service to Blunt, South Dakota.

Murdo, SD will not be deprived of local broadcast service. Agnus Dei Communications, Inc. is the permittee of construction permit BNPH-20120529AKN, Facility ID No. 190433 for Channel 265C2, licensed to Murdo, SD.

BNPH-20120529AEW is an un-built construction permit from FCC Auction 93. Because the station has never operated, it is not required to make a remaining services or gain loss study. There are no Urbanized Areas nearby and therefore policies regarding Rural Radio do not apply. The nearest Urbanized Area is Rapid City, SD which is 233 km. (145 mi.) to the west.

Riverfront believes the proposed modification represents a preferential arrangement of allotment priorities under Section 307(b) by providing a first local transmission service (Priority Three) to 354 persons at Blunt, SD. Murdo, SD will continue to have service from construction permit BNPH-20120529AKN, Channel 265C2, Murdo, SD. The proposed modification will also provide 22,532 persons with an additional reception service (Priority 4).
