

MULTIPLE OWNERSHIP SHOWING

CBS Radio Holdings Inc. (“CBS Radio”) hereby demonstrates that grant of the instant application will be fully consistent with the Commission’s local radio multiple ownership rule. By this application, CBS Radio proposes an electrical adjustment to the existing directional array for KPTK(AM), Seattle, Washington, Facility ID No.6387. No new physical construction is being proposed.

The Commission’s local radio multiple ownership rule provides that in markets with 45 or more (inclusive) full-power, commercial and noncommercial radio stations, one party may have a cognizable interest in licenses for not more than eight commercial radio stations, no more than five of which are in the same service (AM or FM). 47 C.F.R. § 73.3555(a)(1)(i). The Commission defines the relevant market to be the “Arbitron Metro,” in those markets so designated by Arbitron. *See 2002 Biennial Regulatory Review – Review of the Commission’s Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996*, 18 FCC Rcd 13620, 13712-13 (2003).

For purposes of the local radio ownership rule, KPTK(AM), which is licensed to Seattle, Washington, is deemed to be a part of the Seattle-Tacoma, Washington Arbitron Metro. According to BIA Research, Inc.’s *Media Access Pro* database as of July 5, 2007 (*see the attached FCC Geographic Market Definition Report for the Seattle-Tacoma Metro*), there are well in excess of 45 full-power, commercial and noncommercial radio stations licensed to communities within the Seattle-Tacoma Metro or which Arbitron designates as “home” to the Seattle-Tacoma Metro. Accordingly, the current local radio

ownership rule permits CBS Radio to have a cognizable interest in up to eight commercial radio stations (with five in the same service) in the Seattle-Tacoma Metro. As shown on the attached *FCC Geographic Market Definition Report for Seattle-Tacoma, WA*, CBS Radio has a cognizable interest in five commercial radio stations (4 FM stations, and 1 AM station (KBKS-FM; KJAQ(FM); KMPS-FM; KPTK(AM); and KZOK-FM) in the Seattle-Tacoma Metro, and will continue to have a cognizable interest in five commercial radio stations (4 FM stations and 1 AM station) upon a grant of the instant application.

For the reasons set forth herein, a grant of this application is fully consistent with the local radio ownership rule.
