

## **EXHIBIT 10**

Community Wireless of Park City, Inc. ("CWPC"), licensee of Noncommercial Educational Stations KPCW(FM-NCE), Park City, Utah; KCPW-FM(NCE), Salt Lake City, Utah; and KCPW(AM-NCE), Tooele, Utah, is a non-stock, non-profit organization. CWPC is filing this application to obtain Commission consent to new members of its Board of Directors.

The selection of CWPC's new Board of Directors took place pursuant to its Articles of Incorporation and By-Laws. The resulting transfer of control occurred gradually, over time, through routine changes in board membership.

This application is intended to bring the station into compliance with the requirement to obtain FCC approval of the board after 50% of the members of the board of directors have changed. The FCC most recently approved the board of CWPC in FCC File No. BAL-20030610AEB, when CWPC acquired KCPW(AM), which was consummated on October 1, 2003. The Board Members during each of the years from 2003 to 2005 are set forth in the chart on the following page.

No consideration or thing of value is being given in exchange for the interests being transferred. All Board Members are U.S. citizens. Each Board Member has one vote, unless otherwise indicated. None have any interests in any mass media other than the licensee's stations.
