

### **Calvary Chapel Tri-Cities Statement of Educational Objectives**

Calvary Chapel Tri-Cities ("CCTC") is a non-stock, non-profit corporation chartered under the laws of the State of Washington, and is tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code. CCTC is active in the service of its community, offering extensive outreach to adults, children and youth living in the Kennewick, Pasco and Richland communities.

CCTC offers classes ranging from four-year old Kindergarten through the 7<sup>th</sup> grade, and recently introduced a brand new facility for the 2008-09 school year. CCTC also offers biblical teaching, preaching and a variety of other educational programs for people of all ages, and also functions as an extension college campus for the Calvary Chapel Bible College. In addition to classes, bible studies, and other educational programs offered to members of the community, CCTC is quite active in service projects to benefit the community such as delivering food to those in need, and performing odd jobs and service projects such as raking leaves, home repairs and cleaning homes of those who are unable to do so themselves.

CCTC's objective in operating an NCE FM station in Kennewick is to expand the reach of its educational programs, particularly those geared to adults, to Kennewick and the surrounding area. The operation of an NCE FM station will allow CCTC to provide the highest quality programming, stressing moral and spiritual values. Programming will be responsive to the needs and interests of the community. Using radio will permit CCTC to advance its objectives by putting to work its considerable educational talents and capabilities to address moral and religious subjects outside the standard classroom setting, and otherwise on a far broader scale.

Programs and messages will be responsive to the problems, needs and interests of the community of license and service area. CCTC's programming will be in good taste and suitable for listeners of all ages. All programming will help fulfill our educational objectives, and radio station operations will be conducted on a non-commercial basis.
