

Engineering Statement
WSIX-FM; Nashville, TN; 97.9 MHz / 250

In accordance with 73.1690(C)(11) this license modification application seeks a correction in geographical coordinates.

A coordinate correction is requested. The requested coordinates match those of the Antenna Structure Registration (ASR) number 1035538.

The correct coordinates (NAD 27) are:

Latitude: 36 02 50.0 N
Longitude: 86 49 48.0 W

As this location is within 3 seconds latitude and/or longitude, no physical change in location or other licensed parameter will occur.
