Special Temporary Authority
BESTA-20160617AAV

Dear Mr. Davidson:

This is in reference to your request filed June 17, 2016, on behalf of Cavalry Albuquerque, Inc. ("CA").¹ You request an extension of the December 17, 2015 STA, which granted Special Temporary Authority for continued operation without remote control until that system can be repaired.

The extension of the Special Temporary Authority IS GRANTED, subject to the condition that the licensee periodically monitor station operation, and note the findings in the station's log. See Sections 73.1400 and 73.1820 for guidance. Any operation substantially out of tolerance may require the station to make adjustments or cease operation.

This authority expires on December 24, 2016.

Sincerely,

Dale Bickel
Senior Engineer
Audio Division

¹ This STA extension request, like the initial STA request BSTA-20151211ABO, lists "Daniel Davidson" as the "Legal Name of Applicant". The correct response should be "Calvary Albuquerque, Inc.". Please take notice of this issue for future filings, since in some instances an incorrect response can lead to dismissal of the filing.
