August 4, 2009

In evaluating the proposed conversion to digital for K33EJ, FID 17399, channel 33 was found to cause lethal interference to companion channel application BDCCDTT20070418ACO channel 34. After thorough searching, channel 20 was found to cause no lethal levels of interference to other stations. Thus, Three Angels Broadcasting Network respectfully requests that the Commission look favorably on this application.
