

## **Portions of Pending Application Revised By Amendment**

This second amendment to the KDYN-FM Minor Change Application BPH-20120208ADM is being filed to correct the antenna height above mean sea level, change the height of radiation center above ground level and increase the effective radiated power.

The following changes have been made to the application:

### Section III-B FM Engineering

7. Height of Radiation Center Above Mean Sea Level
8. Height of Radiation Center Above Ground Level
9. Height of Radiation Center Above Average Terrain
10. Effective Radiated Power

The following exhibits have been updated to reflect technical changes:
