- 2. Operating Schedule Minimum Requirements.** The hours of operation proposed in this Agreement comply with Section 73.872(c) of the Commission's Rules by allowing each Applicant the following number of operating hours per week:

G-town Radio: 88 hours per week.

Germantown United CDC: 10 hours per week.

Germantown Life Enrichment Center: 10 hours per week.

South Philadelphia Rainbow Committee: 60 hours per week.

The hours of operation proposed in this agreement also comply with 47 C.F.R. § 73.850(b) because the LPFM station will operate 168 hours per week, consisting of at least 5 hours of operation per day on at least 6 days of the week.

- 3. Schedule Modifications.** This Agreement may be amended or modified only by a written instrument executed by all of the Applicants and submitted to the Commission prior to the time of the proposed change. The Applicants agree to revisit the timeshare schedule to suggest changes at least once each year, starting on the first anniversary of this Agreement.
- 4. Vacant Time.** Vacant time not within the S. Philadelphia block of programming will be divided up between the three other applicants by written agreement. In the event that multiple Applicants are vying for the same vacant time slot, that time slot will be divided equally among the Applicants. G-town Radio will be given preference in choosing its portion of the timeslot.

- 5. Transmitter location.** G-town Radio, Germantown United CDC and Germantown Life Enrichment Center will share a transmitter located at the GLEC building (5722 Greene St, Philadelphia, PA 19144). South Philadelphia Rainbow Committee will locate its transmitter at Methodist Hospital (2301 S. Broad St, Philadelphia, PA 19148).
- 6. Studio Space.** South Philadelphia Rainbow Committee will have their own studio at 2526 S. 7th St, Philadelphia, PA 19148. G-town Radio, Germantown United CDC and Germantown Life Enrichment Center will share G-town Radio's studio at 24 Maplewood Mall for one year from the date of this Agreement. The studio space will be leased from G-town Radio. A lease agreement would cover a one year period and can be renewed annually. After one-year, the Applicants will renegotiate shared studio space and determine if they will continue in that arrangement. At that time, if either applicant wishes to maintain its own studio space, the applicants will no longer share a studio. G-town Radio will retain the right of first refusal to maintain its current studio in the event that any applicant requests separate studio space. The Applicant that will vacate the shared studio space must be given 90 days advance notice to vacate.
- 7. Equipment.** South Philadelphia Rainbow Committee will purchase and maintain its own studio and transmission equipment. G-town Radio, Germantown United CDC and Germantown Life Enrichment Center will share the transmission and studio equipment purchased by G-town Radio. G-town Radio will lease the use of this equipment to the other applicants and would be responsible for repair or replacement of equipment damaged through normal wear and tear. In the event that the groups no longer share studio space, Germantown United CDC and/or Germantown Life Enrichment Center will be required to purchase and maintain its own separate studio equipment.
- 8. Cross-promotion.** Because the South Philadelphia broadcast will not be heard in Northwest Philadelphia and vice versa there will be no cross promotion between South Philadelphia Rainbow Committee and the other applicants. Since the other three applicants will be sharing one studio and alternate broadcasting throughout the day they will cross-promote each other's programming. This may also extend to advertising materials created by these three applicants.
- 9. Expenses.** Except as otherwise provided herein, each Applicant shall bear its own expenses in relation to the preparation, filing, prosecution and performance of duties contemplated by this Agreement
- 10. Termination.** A suspension of operations by South Philadelphia Rainbow Committee continuously for twelve (12) months or more shall entitle the licensees of the other stations to terminate this Agreement and request authority from the FCC to operate during times assigned to South Philadelphia Rainbow Committee in this Agreement. That time would be divided between the remaining licensees.  
A suspension of operations by G-town Radio, Germantown United CDC or Germantown Life Enrichment Center continuously for twelve (12) months or more shall entitle the licensees of the other stations to terminate this Agreement. The remaining Germantown-

based licensees (G-town Radio, Germantown United CDC or Germantown Life Enrichment Center) will request authority from the FCC to operate during the time assigned to the suspended licensee in this Agreement.

- 11. - 12. Amendments.** Amendments or modifications to this Agreement must be in writing, signed by all of the Applicants, and submitted to the Commission.
- 13. Conduct.** Each Applicant will use its best efforts to cooperate with other Applicants specified in this Agreement and with the FCC by expeditiously furnishing any additional information that may be reasonably required, and by performing all other acts reasonably necessary to carry out this Agreement.
- 14. Confidentiality.** The Applicants shall henceforth maintain the confidentiality of any information received from any other Applicant in connection with negotiating, filing, and carrying out this Agreement.
- 15. Remedies on Default.** In the event that one of the Applicants defaults on this Agreement, any Applicant not in default shall have available to it all remedies, at law or equity to which it is entitled under Pennsylvania law, including the right to obtain specific performance of the terms of this Agreement.
- 16. Attorney's Fees.** The prevailing Party in any lawsuit to enforce this Agreement or to be compensated for the default of another Party is entitled to reasonable attorneys' fees, at trial and on appeal, as are determined by the court.
- 17. Benefit and Assignment.** This Agreement is binding upon the benefit of the Parties and their respective heirs, legal representatives, and successors. No party to this Agreement may assign its interest under this Agreement without prior written consent of all the other Parties. In no event will an assignment be permitted if 1) the consideration promised or received exceeds the depreciated fair market value of the physical equipment or facilities; and/or the transferee or assignee is incapable of satisfying all of the eligibility criteria that apply to an LPFM licensee in violation Section 73.865 of the FCC Rules.

**UNIVERSAL SETTLEMENT AGREEMENT**

This Settlement Agreement is entered into on the 7th day of December, 2014 between G-town Radio, Germantown United CDC, Germantown Life Enrichment Center and South Philadelphia Rainbow Committee (hereinafter collectively "Applicants").

**Whereas**, each of the Applicants filed with the Federal Communications Commission (hereinafter "FCC" or "Commission") an application for a construction permit to build a low power FM radio station on FM Channel 225 at Philadelphia, PA;

**Whereas**, each of the Applicants filed its application with the intention of obtaining a grant of application and not for purposes of reaching or carrying out a settlement agreement;

**Whereas**, the Applications are mutually exclusive;

**Whereas**, The Applicants constitute all of the Applicants identified by the Public Notice issued by the Commission on September 5, 2014 as Group 304;

**Declaration of No Consideration Received**

I, James Bear, do hereby declare, under penalty of perjury, as follows:

I am Board President at G-town Radio FCC File No. BNPL-20131114AKY, license holder for a new low power FM radio station to share time operating on Channel 225 at Philadelphia, PA.

Applicant has entered into a Settlement Agreement to share the Channel with Germantown United CDC, Germantown Life Enrichment Center and South Philadelphia Rainbow Committee ("The Applicants").

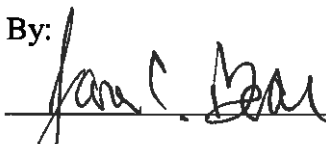

The Settlement Agreement constitutes the entire understanding between G-town Radio, Germantown United CDC, Germantown Life Enrichment Center and South Philadelphia Rainbow Committee for settlement of this proceeding. Other than as stated in the Settlement Agreement, G-town Radio has not received any consideration or paid any consideration to the other applicant for a Construction Permit. Nor has any consideration been promised except as stated in the Settlement Agreement.

G-town Radio did not file its application for the purpose of reaching or carrying out a settlement.

Approval of the Settlement Agreement is in the public interest. Granting the applications of G-town Radio, Germantown United CDC, Germantown Life Enrichment Center and South Philadelphia Rainbow Committee will bring four new local community groups to the very diverse communities found in South and Northwest Philadelphia.
