Oaktree Capital Management, LLC (“Oaktree”) has voting and non-voting members. The operating agreement of Oaktree includes the Commission's insulating language with respect to the non-voting members and with respect certain voting members for media matters. The operating agreement establishes a “Media Company Committee” which includes the voting members listed above. Each member of the Media Company Committee has an equal one-sixth (1/6) vote. Voting members of Oaktree who do not serve on the Media Committee are considered insulated members for purposes of any media investment. In addition, notwithstanding any other provision of the operating agreement, these voting members may not vote for the removal of any member of the Media Committee except as expressly permitted under the Commission’s insulated member requirements. For the purposes of non-media related investments, all voting members of Oaktree are permitted to vote with the percentage of all such members’ voting rights governed by Oaktree’s operating agreement.

Note 1: As noted above, Oaktree holds an equity interest in the Oaktree fund that holds a two percent equity interest in GAP Broadcasting Group, LLC (“GAP”). Accordingly, the indirect interest in GAP held by this individual represents a fraction of a fraction of the two (2) percent of the total equity in GAP.
