This engineering statement has been prepared on behalf of KQDS Acquisition Corp., licensee of W32CV, Ironwood, Michigan and accompanies the application to cover the original construction permit for W32CV.

An application (FCC Form 346) was filed August 2000 in the low-power filing window and assigned FCC application number BNPTTL-20000831BJT. The applicant received a construction permit for the requested facilities and has since completed construction and it meets all special operating conditions.

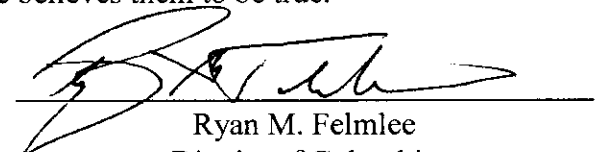

The accompanying FCC Form 347 provides the required technical information. No other changes are requested.

Ryan M. Felmlee, being duly sworn upon his oath, deposes and states that:

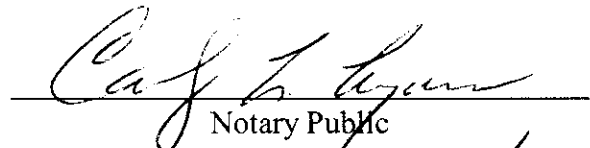

He is a graduate electrical engineer of The Pennsylvania State University and is a staff engineer at Cohen, Dippell and Everist, P.C., Consulting Engineers, Radio - Television, with offices at 1300 L Street, N.W., Suite 1100, Washington, D.C. 20005;

That the attached engineering report was prepared by him or under his supervision and direction and

That the facts stated herein are true of his own knowledge, except such facts as are stated to be on information and belief, and as to such facts he believes them to be true.
