 AND PARTIES TO THE APPLICATION**

I. Description of *Pro Forma* Assignment

This application seeks consent of the Federal Communications Commission (“Commission”) to the *pro forma* assignment of television station KBWB(TV), San Francisco, California from KBWB License, Inc. (“Licensee”) to KBWB License, Inc., Debtor-in-Possession (“Assignee”). On December 11, 2006, Licensee – along with KBWB, Inc, Granite Broadcasting Corporation (“Granite”) and certain of Granite’s subsidiaries¹ – submitted voluntary petitions (“Petitions”) for bankruptcy to the United States Bankruptcy Court for the Southern District of New York (“Bankruptcy Court”) seeking to reorganize under Chapter 11 of the U.S. Bankruptcy Code. *See In re Granite Broadcasting Corporation, et al.*, Case Numbers 06-12984, *et al.* (Chapter 11) (Bankr. D. NY). The Petitions, copies of which are attached hereto, seek bankruptcy protection for Granite and certain of its subsidiaries, including Licensee and KBWB, Inc. Attachments 1 and 2 to this Exhibit depict Licensee’s ownership structure before and after the *pro forma* assignment for which FCC consent is sought herein.

The proposed *pro forma* assignment does not effect a substantial change in the control of Licensee, as the officers, directors, and shareholders of Licensee remain unchanged following the filing of the Petitions. Moreover, Mr. W. Don Cornwell continues to control Licensee, KBWB, Inc., and Granite, each as a debtor-in-possession, subject to the jurisdiction and oversight of the Bankruptcy Court. Accordingly, use of FCC Form 316 is appropriate for the described transaction.

Similar applications are being filed simultaneously herewith for the following commercial television stations controlled by Granite:²
