ARTICLE III- REPRESENTATIONS AND WARRANTIES OF SELLER

Seller represents and warrants to Buyer that:

3.1 Organization and Standing. Seller is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of Missouri. Seller has all necessary corporate power and authority to own, lease and operate the Translator between the date hereof and the Closing Date.

3.2 Authorization. Seller has all necessary corporate power and authority to enter into and perform this Agreement and to consummate the transactions contemplated by this Agreement. All necessary corporate action to duly approve the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby has been taken by Seller. This Agreement has been duly executed and delivered by Seller and constitutes the valid and binding obligation of Seller enforceable against it in accordance with its terms, except as limited by laws affecting the enforcement of creditors' rights or equitable principles generally.

3.3 Title; Condition. Seller has good and marketable title to the Translator and the equipment set forth on Schedule 3.3 (the "Equipment") free and clear of all liens, mortgages, pledges, covenants, security interests, charges, claims or encumbrances of any kind whatsoever. The Translator and the Equipment are in good operating condition, ordinary wear and tear excepted.

3.4 FCC Licenses and Permits. Seller is the holder of all applicable FCC licenses and permits required for and/or used in the operation of the Translator as now operated, which are all in full force and effect and unimpaired by any act or omission of Seller, or its employees or agents. There is not now pending, or to the knowledge of Seller threatened, any action by or before the Commission to revoke, cancel, rescind, modify or refuse to renew in the ordinary course any such licenses or permits, or any investigation, order to show cause, notice of violation, notice of apparent liability or of forfeiture or material complaint against the Seller. All material reports, forms, and statements required to be filed by Seller with the FCC with respect to the Translator and the Equipment, have been filed and are complete and accurate in all material respects as of the date of their filing. The Translator and the Equipment has been and is currently being operated in all material respects in accordance with applicable FCC licenses, permits and other requirements, and in compliance with the Communications Act of 1934, as amended, and the rules and regulations of the Commission (collectively, the "Communications Laws").

3.5 Litigation. No judgment is issued or outstanding relating to the Translator or the Equipment. No litigation, action, suit, judgment, proceeding or investigation is pending or outstanding before any forum, court, or governmental body, department or agency of any kind, or to the knowledge of Seller threatened, to which Seller is a party.

3.6 Insolvency. No insolvency proceedings of any character including without limitation, bankruptcy, receivership, reorganization, composition or arrangement with creditors, voluntary or involuntary, affecting Seller or the Translator or the Equipment is pending or, to the knowledge of Seller, threatened. Seller has not made any assignment for the benefit of creditors or has not taken any action in contemplation of, or which would constitute the basis for, the institution of any such insolvency proceedings.

3.7 Taxes and Reports. Seller has duly filed all federal, state and local tax returns and state franchise returns that are required to be filed, and has paid all taxes, interest, penalties, assessments and deficiencies that could become a Lien on the Translator or the Equipment, excepting Permitted Liens. All taxes, levies and other assessments that Seller is required by law to withhold or to collect relating to the Translator and the Equipment have been duly withheld and collected, and have been paid over to the proper governmental authorities or held by Seller for such payment. Seller has not waived any statute of limitations in respect of taxes or agreed to an extension of time with respect to a tax assessment or deficiency.

3.8 Absence of Restrictions. The execution, delivery and performance of this Agreement and the transactions contemplated hereby by Seller: (a) do and will not require the consent of any third party; (b) do and will not violate any provisions of Seller's articles of incorporation or bylaws; (c) do and will not violate any applicable law, judgment, order, injunction, decree, rule, regulation or ruling of any governmental authority to which Seller is a

party or by which it, the Translator or the Equipment are bound; (d) do and will not, either alone or with the giving of notice or the passage of time, or both, conflict with, constitute grounds for termination of or result in a breach of the terms, conditions or provisions of, or constitute a default under any Contract; and (e) do and will not result in the creation of any Lien on the Translator or the Equipment.

3.9 Compliance with Applicable Laws. Seller has operated and is operating the Translator and the Equipment in compliance in all material respects with all applicable laws, ordinances, regulations, rules and orders, including all FCC and Federal Aviation Administration rules and regulations, applicable to the operation of the Translator and the Equipment. To Seller's knowledge, there are no governmental claims or investigations pending or threatened against Seller in respect of the Translator or the Equipment except those affecting the industry generally.

3.10 Brokers. There is no broker, finder or other person entitled to a commission or brokerage fee or payment in connection with this Agreement or the transactions contemplated hereby as a result of any agreement of, or action taken by, Seller.

ARTICLE IV – BUYER'S REPRESENTATIONS AND WARRANTIES

Buyer represents and warrants to Seller that:

4.1 Organization and Standing. Buyer is a Missouri not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of Missouri. Buyer is, or at the Closing will be, duly qualified to do business in the jurisdiction where the Translator will be located.

4.2 Authorization. Buyer has all necessary corporate power and authority to enter into and perform this Agreement and to consummate the transactions contemplated by this Agreement. All necessary action to duly approve the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby has been taken by Buyer. This Agreement has been duly executed and delivered by Buyer and constitutes a valid and binding agreement of Buyer enforceable in accordance with its terms, except as limited by laws affecting the enforcement of creditors' rights or equitable principles generally.

4.3 Absence of Restrictions. The delivery and performance of this Agreement and the transactions contemplated hereby by Buyer (a) do and will not require the consent of any third party; (b) do and will not violate any provisions of Buyer's organizational documents; and (c) do and will not violate any applicable law, judgment, order, injunction, decree, rule, regulation or ruling of any governmental authority to which Buyer is a party or by which Buyer is bound.

4.4 Absence of Litigation. There is no claim, litigation, proceeding or investigation pending or, to Buyer's knowledge, threatened against Buyer that seeks to enjoin or prohibit, or that otherwise questions the validity of, any action taken or to be taken in connection with this Agreement or that could materially adversely affect the ability of Buyer to perform its obligations hereunder.

4.5 Qualifications. Buyer is legally, financially and otherwise qualified to own the Translator under the Communications Laws.

4.6 Brokers. There is no broker, finder or other person entitled to a commission or brokerage fee or payment in connection with this Agreement or the transactions contemplated hereby as a result of any agreement of, or action taken by, Buyer.

ARTICLE V – COVENANTS

5.1 Affirmative Covenants of Seller. Between the date hereof and the Closing Date, except as contemplated by this Agreement or with the prior written consent of Buyer, which shall not be unreasonably withheld or delayed, Seller shall:

(a) operate the Translator and the Equipment: (i) in the usual and ordinary course of business consistent with past practices; (ii) in conformity with the FCC licenses, permits and other requirements and the Communications Laws; and (iii) in conformity with all other applicable laws, ordinances, regulations, rules and orders;

(b) provide Buyer, and representatives of Buyer, with reasonable access during normal business hours to Seller's, properties, contracts, books, files, logs and records (as such items relate to the Seller's operation of the Translator and the Equipment) and furnish such information concerning the Translator and the Equipment as Buyer may from time to time reasonably request; and

(c) maintain the Translator and the Equipment in good operating condition, repair and order, reasonable wear and tear in normal usage excepted.

5.2 Negative Covenants of Seller. Between the date hereof and the Closing Date, except as contemplated by this Agreement, Seller will not, without the prior written consent of Buyer, which shall not be unreasonable withheld or delayed:

(a) create, assume or permit to exist any liens on the Translator or the Equipment;

(b) take any action inconsistent with its obligations under this Agreement or that would result in a material breach or default under this Agreement; or

(c) change its articles of incorporation or by-laws in any way that would adversely affect its corporate power or authority to enter into and perform this Agreement, or that would otherwise adversely affect its performance of this Agreement.

5.3 Buyer's Covenants. Between the date hereof and the Closing Date, except as contemplated by this Agreement, Buyer shall:

(a) notify Seller of any material litigation, arbitration or administrative proceeding pending or, to its knowledge, threatened against Buyer that challenges the transactions contemplated hereby, including any challenges to the Assignment Application, and

use commercially reasonable efforts to remove any such impediment to the transactions contemplated by this Agreement; and

(b) not take any action materially inconsistent with its obligations under this Agreement or that would result in a material breach or default under this Agreement.

5.4 Conditions. If any event should occur between the date hereof and the Closing Date, either within or without the control of any party hereto, which would prevent fulfillment of the conditions upon the obligations of any party to consummate the transactions contemplated by this Agreement, the parties shall use their commercially reasonable efforts to cure the event as expeditiously as possible.

5.5 Commercially Reasonable Efforts. Between the date of this Agreement and the Closing Date, each party shall use its commercially reasonable efforts to cause the fulfillment at the earliest practicable date of all of the conditions to the obligations of the other party to consummate the sale and purchase under this Agreement.

5.6 Confidentiality. Buyer and Seller shall each keep confidential all information obtained by it with respect to the other in connection with this Agreement, and if the transactions contemplated hereby are not consummated for any reason, each shall return to the other upon request, without retaining a copy thereof, any schedules, documents or other written information, including all financial information, obtained from the other in connection with this Agreement and the transactions contemplated hereby, except where such information is known or available through other lawful sources or where such party is advised by counsel that its disclosure is required in accordance with applicable law.

ARTICLE VI- CONDITIONS TO CLOSING

6.1 Conditions Precedent to Buyer's Obligations. The obligation of Buyer to consummate the transactions contemplated hereby is subject to the fulfillment prior to or at the Closing Date of each of the following conditions (unless waived in writing by Buyer):

(a) the representations and warranties of Seller contained in this Agreement shall be true and correct in all material respects as of the Closing Date, except for changes permitted or contemplated by this Agreement;

(b) Seller shall have performed and complied in all material respects with all covenants, agreements and conditions required by this Agreement to be performed or complied with by it prior to and at the Closing Date;

(c) neither Seller nor Buyer shall be subject to any court or governmental order or injunction restraining or prohibiting the consummation of the transactions contemplated hereby; and

(d) all necessary approvals and consents to the assignment to Buyer hereunder of the Translator and the Equipment shall have been obtained and delivered to Buyer in form and substance reasonably satisfactory to Buyer; and

(e) Buyer shall have made or stand willing to make all the deliveries required under Section 7.1.

6.2 Conditions Precedent to Seller's Obligations. The obligation of Seller to consummate the transactions contemplated hereby is subject to the fulfillment prior to and at the Closing Date of each of the following conditions (unless waived in writing by Seller):

(a) the representations and warranties of Buyer contained in this Agreement shall be true and correct in all material respects as of the Closing Date, except for changes permitted or contemplated by this Agreement;

(b) Buyer shall have performed and complied in all material respects with all covenants, agreements and conditions required by this Agreement to be performed or complied with by it prior to and at the Closing Date;

(c) neither Seller nor Buyer shall be subject to any court or governmental order or injunction restraining or prohibiting the consummation of the transactions contemplated hereby; and

(d) Buyer shall have made or stand willing to make all the deliveries required under Section 7.2.

ARTICLE VII – CLOSING

7.1 Seller's Performance at Closing. At the Closing, Seller shall deliver or cause to be delivered to Buyer:

(a) a bill of sale and assignment and assumption agreement conveying to Buyer the Translator and the Equipment;

(b) a certificate of an officer of Seller, dated as of the Closing Date, certifying to the fulfillment of the conditions set forth in Sections 6.1(a) and (b); and

(c) such other assignments (including an assignment of the FCC Licenses), bills of sale or instruments of conveyance, and certificates of officers as reasonably may be requested by Buyer to consummate this Agreement and the transactions contemplated hereby.

7.2 Buyer's Performance at Closing. At the Closing, Buyer shall deliver to Seller:

(a) the Closing Payment as set forth in Section 2.4;

(b) certificate of Buyer, dated as of the Closing Date, certifying to the fulfillment of the conditions set forth in Sections 6.2(a) and (b); and

(c) execute and deliver to Seller such other instruments, documents and certificates of officers as reasonably may be requested by Seller to consummate this Agreement and the transactions contemplated hereby.

ARTICLE VIII – TERMINATION

8.1 Termination Rights. Subject to Section 8.2, this Agreement may be terminated prior to the Closing as follows:

- (a) by mutual written consent of Buyer and Seller;
- (b) by written notice of Buyer to Seller or Seller to Buyer if the other party defaults in any material respect in the observance or in the due and timely performance of any of its covenants or agreements contained herein and such default, if curable, has not been cured within ten (10) days from receipt of written notice from the non-defaulting party;
- (c) by written notice of Buyer to Seller or Seller to Buyer if there shall be in effect any judgment, final decree or order that would prevent or make unlawful the Closing;

8.2 Liability. The termination of this Agreement under Section 8.1 hereof shall not relieve any party of any liability for breach of this Agreement prior to the date of termination. If this Agreement is terminated pursuant to Section 8.1 without fault of either party or breach of this Agreement, each party shall be released from all liability under this Agreement and each party shall pay all legal and other costs and expenses incurred by it in connection with the termination of this Agreement and the transactions contemplated hereby.

ARTICLE IX – INDEMNIFICATION

9.1 Indemnification of Buyer. From and after the Closing, Seller hereby agrees to indemnify, defend and hold harmless Buyer, from and against any and all losses, costs, damages, liabilities and expenses, including reasonable attorneys' fees and expenses (collectively, "Damages") incurred by Buyer arising out of or resulting from:

- (a) any material breach by Seller of any of its representations and warranties made under this Agreement; and
- (b) any default by Seller of any covenant or agreement made under this Agreement.

9.2 Indemnification of Seller. From and after the Closing, Buyer shall indemnify, defend, and hold harmless Seller from and against any and all Damages incurred by Seller arising out of or resulting from:

- (a) any material breach by Buyer of any of its representations and warranties made under this Agreement; and
- (b) any default by Buyer of any covenant or agreement made under this Agreement.

9.3 Claims. In the event of claims between the parties or third party claims, each party ("Indemnified Party") shall notify the other party ("Indemnifying Party") in writing as soon as practicable, but in no event later than fifteen (15) days after notice of such claims was given to

the party. The Indemnified Party's failure to do so shall not preclude it from seeking indemnification hereunder unless such failure has materially prejudiced the Indemnifying Party's ability to defend such claim. The Indemnifying Party shall promptly defend such claim by counsel of its own choosing and the Indemnified Party shall cooperate with the Indemnifying Party in the defense of such claim, including the settlement of the matter on the basis stipulated by the Indemnifying Party (with the Indemnifying Party being responsible for all costs and expenses of such settlement). If the Indemnifying Party within a reasonable time after notice of a claim fails to defend the Indemnified Party, the Indemnified Party shall be entitled to undertake the defense, compromise or settlement of such claim at the expense of and for the account and risk of the Indemnifying Party. Upon the assumption of the defense of such claim, the Indemnifying Party may settle, compromise or defend as it sees fit, provided, however, that anything in this Section to the contrary notwithstanding:

(a) if there is a reasonable probability that a claim may materially and adversely affect the Indemnified Party, the Indemnified Party shall have the right, at its own cost and expense, to defend, compromise or settle such claim against it;

(b) if the facts giving rise to indemnification hereunder shall involve a possible claim by the Indemnified Party against a third party, the Indemnified Party shall have the right, at its own cost and expense, to undertake the prosecution, compromise and settlement of such claim; and

(c) the Indemnifying Party will not, without the Indemnified Party's written consent, settle or compromise any claim or consent to any entry of judgment that does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party of a release from all liability in respect to such claim.

ARTICLE X – MISCELLANEOUS

10.1 Expenses. Except as otherwise provided herein, each party shall pay its own costs and expenses incurred in connection with the negotiation, preparation and performance of this Agreement.

10.2 Survival of Covenants, Representations and Warranties. The representations and warranties in this Agreement shall survive the Closing for a period of eighteen (18) months from the Closing Date whereupon they shall expire and be of no further force and effect, except that the representations and warranties of Seller in Section 3.3 regarding title to the Translator and Equipment shall continue in full force and effect until expiration of the applicable statute of limitations. The covenants and agreements in this Agreement shall survive Closing in accordance with their terms.

10.8 Bulk Sales. Buyer and Seller waive compliance with any bulk sales law applicable to the transactions contemplated by this Agreement.

10.9 Further Actions. Buyer and Seller shall execute such other documents and take such other actions as may be reasonably necessary or desirable to the performance of this Agreement and the consummation of the transactions contemplated hereby.

10.10 No Implied Waiver. No delay on the part of the parties hereto to exercise any right, power or privilege shall operate as a waiver.

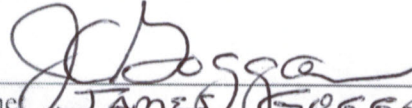

10.11 Rules of Construction. All section titles or captions in this Agreement shall be for convenience only, shall not be deemed part of this Agreement and shall in no way define, limit, extend or describe the scope or intent of any provisions of this Agreement. The Schedules and Exhibits attached hereto are hereby incorporated herein and made a part of this Agreement. Any reference in this Agreement to schedules and exhibits shall be deemed to be a reference to such schedules and exhibits as amended and in effect from time to time. Whenever the word "including" is used herein, it shall be construed to mean "including without limitation."
