Re: W35BB, Dublin, GA.  
File No. BMPDTL-20130912ABC  
Facility ID 24157

Dear Permittee,

This is with respect to the amendment filed December 16, 2013, concerning the above-referenced application for modification of low power television station W35BB. The amendment is specifically a request for additional time to register the new tower as outlined in the attached exhibit to the amendment as imported below:

**Request for Additional Time to Register New Tower**

The tower requested in application BMPDTL-20130912ABC is a new tower. The application for FAA clearance has been filed. Information has been entered in TCNS. Dublin Broadcasters, LLC is in the process of clearing this tower with local authorities, historical authorities, Wildlife and Fisheries, and other agencies involved in the process required for clearance of new tower construction. This may take three to six months to complete.

Dublin Broadcasters, LLC requests additional time to complete the tower registration process given the detailed and involved process required for clearance to construct a new tower.

Charles F. Ellis, PE  
Ellis Engineering  
Consulting Engineer for Dublin Broadcasters, LLC

Your request for an extension of time to register the new tower is granted. The extension will expire 6 months from the date of this letter. Prior to the expiration of the 6 month extension, the above referenced modification application must be electronically amended with the new registration information a further extension request, if not amended the application may be subject to dismissal.

Sincerely,

Hossein Hashemzadeh  
Deputy Chief  
Video Division  
Media Bureau
