Re: **Request for Tolling Waiver of 47 C.F.R. § 73.3598**  
FM Translator Station K274CX, Tulsa, Oklahoma  
Facility Identifier Number: 140408

Dear Ms. Dortch:

Screen Door Broadcasting, LLC ("SDB"), permittee of FM translator Station K274CX, Tulsa, Oklahoma, hereby requests a tolling waiver (47 CFR §1.3 and §73.3598) of the construction deadline for this permit pursuant to Note 36 in the *First Report and Order, Further Notice of Proposed Rule Making and Notice of Inquiry* in MB Docket No. 13-249, Revitalization of the AM Radio Service 30 FCC Red 12145 (2015). Note 36 states that waivers of the Auction 83 FM translator permit deadlines are "presumptively in the public interest for applicants participating in one of the modification windows."

Station K274CX has a permit that was granted as a result of the Auction 83 window filing (see BNPFT-20130830ACE) and a modification granted recently (BMPFT-20160729AAZ) as a result of the 250 mile window filing. This permit is being sold to Radio Las Americas, LLC ("RLA") in a separate pending application (BAPFT-20161129AGQ) and will expire on January 8, 2017.

Accordingly, SDB respectfully requests a waiver of 47 CFR §1.3 and §73.3598 to toll the construction deadline of the permit for Station K274CX until processing of the pending assignment application is complete and RLA is able to construct the facility.

Please contact me if there are any questions.

Best regards,
