

Statement of certifying Engineer

I hereby affirm that:

I have a 2 year industrial electronics certificate from Greene County Vocational school.

I have been employed in the radio broadcast industry since 1989.

I am currently employed by IBI Radio Ministries, the holder of the construction permit No.: BNPFT-20130828AAM

The new antenna is Nicom model BKG77 and was purchased from Nicom.

I supervised its installation on the tower, and I am satisfied that it was installed according to the manufacturer's specifications, and at the height specified in the construction permit.

All statements, herein, are true to the best of my knowledge.
