Notice of Resumption of Operations**

Dear Ms. Dortch:

The University of Utah (“Licensee”), licensee of KUQU(FM), Enoch, Utah (the “Station”), hereby provides notice that the Station has resumed operations. As noted in its Request for Silent STA filed on January 23, 2019 and granted on March 25, 2019, the Station ceased operation on January 15, 2019, due to an equipment failure of the microwave path that feeds the signal to its remotely-located transmitter site. The Station appears to have resolved its equipment problem. After a period of intermittent service availability, the Station returned to normal operation as of February 6, 2019, pursuant to the parameters authorized in its license authorization. Please update your records accordingly.

Any questions regarding this matter should be directed to the undersigned.

Respectfully submitted,

Ann West Bobeck
Counsel for the University of Utah
