(a) Conditions. If on the date that would otherwise be the Closing Date any of the conditions precedent to the obligations of Buyer set forth in **Section 7.1** of this Agreement have not been satisfied or waived in writing by Buyer.

(b) Judgments. If there shall be in effect on the date that would otherwise be the Closing Date any judgment, decree, or order that would prevent or make unlawful the Closing.

(c) Upset Date. If the Closing shall not have occurred within one (1) year of the date of this Agreement provided the failure to close by such date is not primarily the fault of Buyer.

(d) Breach. Without limiting Buyer's rights under the other provisions of this **Section 9.2**, if Seller has failed to cure any material breach of any of its representations, warranties, or covenants under this Agreement which, if untrue or incomplete could have a

material adverse effect on the value of the Assets taken as a whole within fifteen days after Seller received written notice of such breach from Buyer.

(e) Agreement. At any time upon mutual written agreement of the parties.

9.3 Rights of Termination. Upon the termination of this Agreement for any reason, Seller shall within three (3) business days pay back to Buyer the amount of \$250,000.00; provided further that in the event the Agreement is terminated due to a material breach by Seller, and Buyer is not itself in breach, then Seller shall pay Buyer an additional \$50,000.00. In all other circumstances damages shall be assessed as provided herein. If this Agreement is terminated pursuant to **Section 9.1 or Section 9.2** and neither party is in material breach of any provision of this Agreement, the parties hereto shall not have any liability to each other thereafter with respect to the purchase and sale of the Assets and the \$300,000.00 deposit shall be returned to the Buyer. If this Agreement is terminated by Buyer due to Seller's material breach of this Agreement, Buyer shall have all rights and remedies available at law or equity. It is further agreed that Buyer shall elect either specific performance or damages if and when it decides to pursue a remedy. Further, if Buyer elects to pursue damages the maximum amount it shall be entitled to as damages shall be \$50,000.00. If this Agreement is terminated by Seller due to Buyer's material breach of this Agreement, Seller shall be entitled to liquidated damages of Fifty Thousand Dollars (\$50,000.00) which amount shall constitute full payment and the exclusive remedy for any damages suffered by Seller by reason of Buyer's material breach of this Agreement. It being understood and agreed that the \$50,000.00 balance of the \$300,000.00 retained by Seller shall constitute payment of the liquidated damages. If Seller is unsuccessful in its claim that Buyer breached this Agreement, the \$50,000.00 shall be returned to Buyer. The parties recognize that if Seller breaches this Agreement and refuses to perform under the provisions of this Agreement and Buyer is not in material breach of this Agreement, monetary damages alone would not be adequate to compensate Buyer for its injury. Buyer shall, therefore, be entitled, in addition to any other remedies that may be available, including money damages, to obtain specific performance of the terms of this Agreement. If any action is brought by Buyer to enforce this Agreement through specific performance, Seller shall waive the defense that there is an adequate remedy at law.

SECTION 10. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; INDEMNIFICATION

Representations and Warranties. All written representations and warranties contained in this Agreement shall be deemed continuing representations and warranties and shall survive the Closing.

10.1 Attorneys' Fees. In the event of a default by either party which results in a lawsuit or other proceeding for any remedy available under this Agreement, the prevailing party shall be entitled to reimbursement from the other party of its reasonable legal fees and expenses.

10.2 Indemnification.

(a) Seller Indemnification. Seller shall defend, indemnify and hold harmless Buyer from and against any and all losses, costs, damages, liabilities and expenses, including reasonable attorneys' fees ("Damages") incurred by Buyer arising out of or related to (i) any breach by Seller of its representations, warranties, covenants or other agreements given or made in this Agreement, or (ii) the ownership or operation of the Assets prior to Closing.

(b) Buyer's Indemnification. Buyer shall defend, indemnify and hold harmless Seller from and against any and all Damages incurred by Seller arising out of or related to (i) any breach by Buyer of its representations, warranties, covenants or other agreements given or made in this Agreement, or (ii) the ownership or operation of the Assets after Closing.

SECTION 11. PUT OPTION

11.1 Grant of Put Option. In exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Seller, Seller hereby grants to Buyer an exclusive irrevocable option (the "Put Option") to require Seller to purchase all licenses, permits and authorizations issued by the FCC for the Station as well as all equipment and other tangible personal property owned by Buyer and used in the operation of the Station and for Seller to assume any contracts relating to the Station entered into by Buyer in the ordinary course of business.

11.2 Exercise of Put Option. Buyer may exercise the Put Option by delivering to Seller written notice of Buyer's intention to exercise the Put Option at any time during the one year period following the fifth anniversary of the date of the execution of this Agreement; provided, however, that the Put Option may only be exercised by Buyer if on such fifth anniversary date, the Station is not operating as a full Class C facility and/or the Station's transmitter site is not located at the same location as identified in the Lovelock CP and the Fallon Modification Application.

11.3 Seller's Right to Reject Put Option. Notwithstanding anything to the contrary herein, Seller shall have the right to reject Buyer's exercise of the Put Option if, at the time Buyer delivers to Seller Buyer's written notice of its intention to exercise the Put Option, the Station's licensed facilities or the granted Construction Permit's 60 dBu (1mV/m) contour does not completely cover the community of Chico, California utilizing both the Commissions predicted method of coverage and Longley-Rice. Seller shall exercise such election to reject Buyer's exercise of the Put Option by providing Buyer with written notice of such rejection with 15 days of Seller's receipt of Buyer's written notice of its exercise of the Put Option.

11.4 Purchase Price. The purchase price to be paid by Seller for the FCC authorizations for the Station upon exercise of the Put Option shall be Five Hundred Thousand Dollars (\$500,000.00). In addition, Seller shall pay Buyer the fair market value for the equipment and the personal property of Buyer used in the operation of the Station.

11.5 Purchase Agreement. Upon exercise of the Put Option by Buyer, Buyer and Seller will proceed in good faith to negotiate, and execute an Asset Purchase Agreement in substantially the same form of this Agreement for the sale of the Station's assets to Seller.

11.6 Cooperation. Buyer and Seller shall cooperate fully with each other and their respective counsel and accountants in connection with the exercise of the Put Option and the sale of the assets of the Station from Buyer to Seller pursuant to the Put Option.

SECTION 12. MISCELLANEOUS

12.1 Fees and Expenses. Any federal, state or local sales or transfer tax arising in connection with the conveyance of the Assets by Seller to Buyer pursuant to this Agreement shall be paid by Seller and Buyer equally. Seller and Buyer shall each pay one half (1/2) the fee payable to the FCC in connection with the filing of the applications for the FCC Consents. Seller is responsible for the reimbursement payment to the U.S. Government for the new entrant bidding credit received for the CP in Auction 62. Buyer will reimburse Seller for one-half (1/2) of such reimbursement payment. Except as otherwise provided in this Agreement, each party shall pay its own expenses incurred in connection with the authorization, preparation, execution and performance of this Agreement, including all fees and expenses of counsel, accountants, agents and representatives.

12.2 Arbitration. Except as otherwise provided to the contrary below, any dispute arising out of or related to this Agreement that Seller and Buyer are unable to resolve by themselves shall be settled by arbitration in the District of Columbia, by a panel of three arbitrators. Within ten business days after receipt of demand for arbitration of either party, Seller and Buyer shall each designate one disinterested arbitrator, and the two arbitrators so designated shall select the third arbitrator. If the two arbitrators are unable to agree as to the third arbitrator within ten business days of their appointment, then such third arbitrator shall be appointed by the American Arbitration Association upon request of either party. Before undertaking to resolve the dispute, each arbitrator shall be duly sworn faithfully and fairly to hear and examine the matters in controversy and to make a just award according to the best of his or her understanding. The arbitration hearing shall be conducted in accordance with the commercial arbitration rules of the American Arbitration Association within thirty days of the appointment of the third arbitrator. The written decision of a majority of the arbitrators shall be final and binding on Seller and Buyer. The costs and expenses of the arbitration proceeding shall be assessed between Seller and Buyer in a manner to be decided by a majority of the arbitrators, and the assessment shall be set forth in the decision and award of the arbitrators. Judgment on the award, if it is not paid within thirty days, may be entered in any court having jurisdiction over the matter. No action at law or suit in equity based upon any claim arising out of or related to this Agreement shall be instituted in any court by Seller or Buyer against the other except (i) an action to compel arbitration pursuant to this **Section**, (ii) an action to enforce the award of the arbitration panel rendered in accordance with this **Section**, or (iii) a suit for specific performance pursuant to **Section 9.3**.

12.3 Notices.
