**Re: Request for Additional Time to Respond with Curative Amendment to  
Application for Minor Modification of WAUB(AM), Auburn, NY (FCC File  
No. BP-20150123AHG / FCC Facility I.D. #43791)**

Dear Ms. Dortch

The purpose of this letter is to request on behalf of Auburn Broadcasting, Inc., the licensee of WAUB(AM), Auburn, New York (FCC Facility I.D. #43791), an additional ninety (90) days to respond with a curative amendment to the pending WAUB minor modification application.

The purpose of the WAUB application is to eliminate the day/night pattern switching because of ongoing equipment problems, and to license the night pattern for use during daytime hours at a to-be-determined power level. Additional time is required to research, obtain, analyze and employ measured conductivity data from WAUB as well as several other stations in order to prepare the curative amendment.

Respectfully submitted,

**AUBURN BROADCASTING, INC.**
