

**EXHIBIT 16**

**Multiple Ownership**

WWMY(FM), the station subject to the instant application, is located in and is “home” to the Raleigh-Durham, NC, Arbitron Metro (the “Raleigh Metro”). With the exception of WRBZ(AM), the other stations in which the Assignee has attributable interests as referenced in Exhibit 14 are not located in the Raleigh Metro. With the exception of WRBZ(AM), neither the Assignee nor its attributable party, William M. McClatchey, Jr., has any attributable interests in any other broadcast station or daily newspaper in the Raleigh Metro.

Pursuant to Section 73.35555 of the Commission’s rules, an attributable interest in one AM/FM combination in a Metro is permissible, and as such the proposed assignment of WWMY(FM) to the Assignee (together with WRBZ(AM)) complies with the Commission’s multiple ownership rules.

Nonetheless, as noted in Exhibit 14, the Assignee has filed an application proposing the simultaneous divestiture of WRBZ(AM) in connection with the closing of its acquisition of WWMY(FM). Accordingly, following the consummation of the transaction, the Assignee will have an attributable interest in only one station in the Raleigh Metro.

The Assignee’s and Mr. McClatchey’s multiple ownership and attribution qualifications with respect to the Raleigh Metro were previously “passed on” by the Commission in connection with the Assignee’s acquisition of WRBZ(AM) in FCC File Number BAL-20041118ACX (at the time of the WRBZ(AM) acquisition, the Assignee’s corporate name was NC Sportsnet, LLC, which later changed to McClatchey Broadcasting Company, LLC, and thereafter to WRBZ, LLC).
