

The map displays the state of Nebraska with major cities and highways. A red star indicates the location of station KQKQ-F near Lincoln. The text '100 dBu F(50,10)' and '156318' are shown next to the star. A green line represents the signal path from the station to the horizon. Major cities labeled include Omaha, Lincoln, Beatrice, and Bellevue. Highways shown include I-80, I-480, and I-29. The map also includes latitude and longitude coordinates and a scale bar in miles.
