Re: WDZP-LP, West Palm Beach, FL
Facility ID No. 194790
Caribbean Heritage Foundation
File No. BMPL-20141030ABW

Dear Applicant:

This letter is in reference to the above-captioned minor change application.

An engineering study has revealed that the proposed transmitter site specified in the application fails to meet the minimum spacing requirements of 47 C.F.R. § 73.807. Specifically, the site proposed is located 3.5 kilometers from the construction permit for W268CF (BNPFT-20130819AFV) on Channel 268D in West Palm, FL. The required spacing pursuant to § 73.807 is 8 kilometers. Additionally, the site proposed is located 82.5 kilometers from the license for WHYI-FM (BLH-20050225AAQ) on Channel 264C0 in Fort Lauderdale, FL. The required spacing pursuant to § 73.807 is 84 kilometers. The application fails to address these defects.

Accordingly, in light of the above, application BMPL-20141030ABW is unacceptable for filing and IS **HEREBY DISMISSED**. This action is taken pursuant to 47 C.F.R. §§ 0.283 and 73.870(c).

Sincerely,

James D. Bradshaw
