re: WLPV

September 11, 2002

Dear Don,

Per your letter you will find the waiver you requested signed. Please stay in touch with us and let us know when your construction has been completed on WLPV so at that time we can take readings to see how it has effected Wake's directional pattern.

If you have further questions or if there is something we could help you with please don't hesitate in contacting me.

Sincerely  
Radio One Communications

Leigh Ellis  
President
