In re: Low Power Television Application of:  
Holston Valley Broadcasting Corp.  
Channel 9, Kingsport, TN.  
File number BMPTVA-20050314AKH  
Facility Id No.: 27490

Dear Applicant:

Our current review of the above referenced modification application reveals that your proposed modification application was filed to modify the underlying construction permit BPTVA-20030910ACT. Our records further show that the underlying construction permit was not licensed and expired on June 22, 2007. Therefore, the above referenced modification construction permit BMPTVA-20050314AKH IS HEREBY DISMISSED and the underlying construction permit BPTVA-20030910ACT IS HEREBY CANCELLED.

Sincerely

Hossein Hashemzadeh  
Associate Chief  
Video Division  
Media Bureau
